

## Family

*“The memories we make with our family is everything.”*

*“The family is one of nature’s masterpieces.”*

*“Family is not an important thing. It’s everything.”*

*“Family means putting your arms around each other and being there.”*

*“Call it a clan, call it a network, call it a tribe, call it a family: Whatever you call it, whoever you are, you need one.”*

*“When trouble comes, it’s your family that supports you.”*

*“Family is a unique gift that needs to be appreciated and treasured, even when they’re driving you crazy. As much as they make you mad, interrupt you, annoy you, curse at you, try to control you, these are the people who know you the best and who love you.”*

*“I think family is key, and if you have love for family, then you have love for others – and you have unity as a people.”*

*“The single most important factor in our long-term happiness is the relationships we have with our family and close friends.”*

*“Family always gonna be there. The material things, they come and go.”*
